HP EliteBook 8570p Notebook PC

Power Plus Portability. Optimized for Genuine Windows® 7 Professional, this premier business notebook touts a business rugged design with a 39,6 cm (15.6") diagonal HD[1] display, graphics choices, powerful processing and smooth audio quality.

HP recommends Windows® 7.

Rugged and professional

The HP EliteBook 8570p blends modern design and precision engineering, yielding a beautiful product with a platinum color finish.
With a starting weight of 2.61 kg (5.75 lb), the business rugged design means this laptop can withstand the rigors of business travel. Additionally, the HP EliteBook 8570p passes rigorous MIL-STD 810G testing for vibration, dust, altitude, temperature and drops[2].
Don’t squint. Clearly see work documents, spreadsheets and graphics on the (15.6") diagonal HD[1] display.

Overachiever

Choose between UMA or performance discrete graphics[3] to create impactful visuals that'll impress the boss and co-workers. Plug into additional monitors for a total of four displays to gain an immersive graphics and computing experience with AMD Eyefinity technology[4].
Tackle daunting tasks with the powerful processing capabilities of Intel's latest technology. Choose from Core i5 or i7 dual-core processors to meet your work demands[5].
Featuring the new 3rd generation Intel® Core™ processors with vPro™ Technology[3],[6] that help reduce IT maintenance costs by enabling remote configuration, diagnosis, isolation and repair of infected PCs.
When your workload ramps up, your PC keeps up with added processor performance, thanks to Intel Turbo Boost Technology 2.0[7].

Packed with all the extras

Engage in video conferences[8], web-based trainings[9] or streaming videos with smooth audio quality that’ll surprise you coming from a notebook. SRS Premium Sound PRO also allows you to share crisp, powerful sound directly from your notebook. Forget the extra speakers during your presentations.
Plenty of storage options allow professionals to keep all their files within reach. With numerous choices between hard disk drives, SSDs[3], and SEDs[3], storage concerns disappear.
Various battery options allow you to choose between the lightest weight and the longest battery run time.

HP EliteBook 8570p Notebook PC

[1] HD content required to view HD images.

[2] Testing was not intended to demonstrate fitness for DOD contracts requirements or for military use. Test results are not a guarantee of future performance under these test conditions.

[3] Sold separately or as an optional feature.

[4] AMD Eyefinity Technology requires AMD discrete graphics configuration. Total number of screens supported varies by model. HP EliteBook 8570p supports up to four screens.

[5] Multi-Core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. 64-bit computing on Intel® architecture requires a computer system with a processor, chipset, BIOS, operating system, device drivers, and applications enabled for Intel® 64 architecture. Processors will not operate (including 32-bit operation) without an Intel® 64 architecture-enabled BIOS. Performance will vary depending on your hardware and software configurations. Intel's numbering is not a measurement of higher performance.

[6] Some functionality of this technology, such as Intel® Active management technology and Intel Virtualization technology, requires additional 3rd party software in order to run. Availability of future "virtual appliances" applications for Intel vPro technology is dependent on 3rd party software providers. Microsoft Windows required.

[7] Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration.

[8] Video conferencing is available on configurations with the optional 720p HD webcam.

[9] Internet access required.

ACCESSORIES AND SERVICES

HP 15.6 Privacy Filter

No more need to worry about prying eyes. This unique HP built-to-fit solution ensures confidential business data, personal information and financial records are visible only to the person sat directly in front of the notebook display.

Product number: AU103AA

HP ST09 Extended Life Notebook Battery

The HP Extended Life Battery allows you to work longer hours away from a power outlet. The HP Extended Life battery offers the convenience of charging the battery while it is docked so there is no need to remove before docking. With the improved battery life, these battery is an ideal solution for the "corridor warrior" who requires extra battery life for all-day computing or long meetings.

Product number: QK639AA

HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf. This stand can also accommodate notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.

Product number: AW662AA

HP Professional Slim Top Load Case

HP Professional Slim Top Load Case lets you store folders and other documents, and features storage areas for business cards, PDAs, cell phones, pens, an AC adapter and any additional items needed for a long stay away from the office or home. Designed for ultra-mobile professionals who are on the road frequently and for long periods of time.

Product number: AY530AA

3-year Next Business Day Onsite

Care Pack

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U4414E
